

Dear Wish Applicant,

Wish Granters, Inc. is a small, local Idaho nonprofit organization that grants wishes to adults (18+ years old) who have been diagnosed with a non-age-related terminal illness. Wish Granters, Inc. is currently accepting applications for wish requests from eligible residents in Ada, Canyon, and Gem Counties.

Wish Granters is unable to guarantee the fulfillment of a wish request, however, we will make every effort, and diligently work with you, to make your wish come true. Please review the Frequently Asked Questions prior to submitting your application for more information regarding the Wish Granting process and its limitations.

The types of wish requests that Wish Granters receive are as unique as our wish recipients and can vary from simple comfort items to more complex travel wishes. You can find examples of the types of wishes that can be fulfilled by reviewing the FAQ's pages. These are only examples and not a complete list of wish options. If - you have any further questions about your wish, please contact Wish Granters at the email below or by calling Debbie at 208-867-3027.

Please complete the application in its entirety and submit all the requested information. Incomplete applications are much harder to process and, at a minimum, will delay our ability to grant your wish. If assistance is needed, please don't hesitate to contact our office.
